

JEWEL ISAAC

Chris Farr

SUPERINTENDENT

OVERVIEW

Chris Farr is a Superintendent at Jewel Isaac, LLC with more than 20 years of commercial construction experience across structural steel, carpentry, and field project management. He leads company crews and subcontractors from mobilization through completion, coordinating manpower, scheduling, equipment, and logistics while keeping quality, safety, and production on track. Chris is known for delivering work in extreme weather and remote Alaska locations, working directly with owners, engineers, inspectors, and general contractors to keep projects moving safely and efficiently.

EXPERIENCE

Superintendent, Jewel Isaac, LLC

2022 - present

Manages commercial and federal construction throughout remote Alaska, supervising company crews and subcontractors from mobilization through completion. Coordinates daily operations, manpower, scheduling, equipment, and logistics, and oversees quality control, safety, inspections, and punch list across structural steel, welding, carpentry, concrete, coatings, and specialty installations.

Foreman & Carpenter, Precision Steel & Gypsum

2016 - 2022

Supervised commercial framing and drywall crews and ran layout, framing, drywall, ceilings, doors, hardware, and finish work on schools, hospitals, office buildings, and tenant improvements, enforcing OSHA requirements and training apprentice carpenters.

Reinforcing Steel Fabricator

2006 - 2016

Fabricated reinforcing steel to specification from shop drawings and bending schedules, operating shears, benders, overhead cranes, and forklifts in fast-paced industrial manufacturing environments.

CERTIFICATIONS & EQUIPMENT

- OSHA 10 . forklift certified . welding experience. More than 20 years in commercial construction and structural steel.
- Boom and scissor lifts . forklifts and telehandlers . laser layout and concrete equipment. Strengths in blueprint reading, scheduling, quality control, and subcontractor coordination.
