

JEWEL ISAAC

Dave Long

GENERAL MANAGER

OVERVIEW

Dave Long is the General Manager of Jewel Isaac, LLC, where he leads estimating and bidding, secures contracts, and oversees site construction from ground-breaking through commissioning. An astute operations executive with more than 20 years of business-management experience, Dave drives production efficiency, profitable on-time delivery, and strong client relationships, backed by a career that began in the carpenters' union and grew into multi-location P&L leadership.

EXPERIENCE

General Manager / Senior Project Manager, Jewel Isaac, LLC

2016 - present

Leads estimating and bidding, secures contracts, and oversees site construction from ground-breaking through commissioning, including subcontractor integration, budgeting, quality control, and health and safety.

General Manager, C Company

2009 - 2016
