To Whom It May Concern:

Curt Faus Construction has been a licensed General Contractor since 2001. CFC has been doing business in Alaska since 2007. Shortly thereafter, CFC contracted Seth Church and the Jewel Isaac team on a job, where they were working as a subcontractor.

Over the next 17 years we have partnered up on numerous successful projects from tenant improvement to ground up projects. They are a highly reputable contractor that partner with us as part of the CFC Team. Jewel Isaac honors their contracts and commitments. Jewel Isaac's work performance is among the best. They are fast and efficient and aren't afraid to work hard. They rarely submit change orders.

The Jewel Isaac team is comprised of many competent and skilled employees. Curt Faus Construction always looks forward to partnering up with them. CFC plans on continuing our partnership with Jewel Isaac on future projects for many years to come.

Please feel free to reach out to me if you have any questions or need any other information.

Sincerely,

Chris Newman
